

STATE OF ARKANSAS  
OFFICE OF THE GOVERNOR

Mike Huckabee  
*Governor*

August 9, 2004

To Whom It May Concern:

For years, I have watched Dale "Mad Dog" Messmer mesmerize junior and senior high school students throughout Arkansas with his Straight Talk Outreach Program. His willingness to share his personal story has no doubt left a lasting impression on the minds of countless Arkansas youths.

I am happy that Dale has decided to branch out and target the vulnerable population of college freshmen. If his past performance with high school students is any indication, a lot of college freshmen are in for what will hopefully be a life-changing experience.

Sincerely yours,

A handwritten signature in blue ink that reads "Mike Huckabee".
